

FOUNDER OF @FAIZYLEGEND

The Next Generation Live Captions

Real-time screen captions transform spoken words into on-screen text, commonly employed for live-streamed or in-person meetings and events. Additionally, we serve as a tool for text to speech, and capturing live conversations.

Missing out the conversations?

Don't worry, we got you!

That's right, we mean it! We do not want you to feel left out of this conversation. No one should be alone in this world.

Get Started

Speech-To-Text

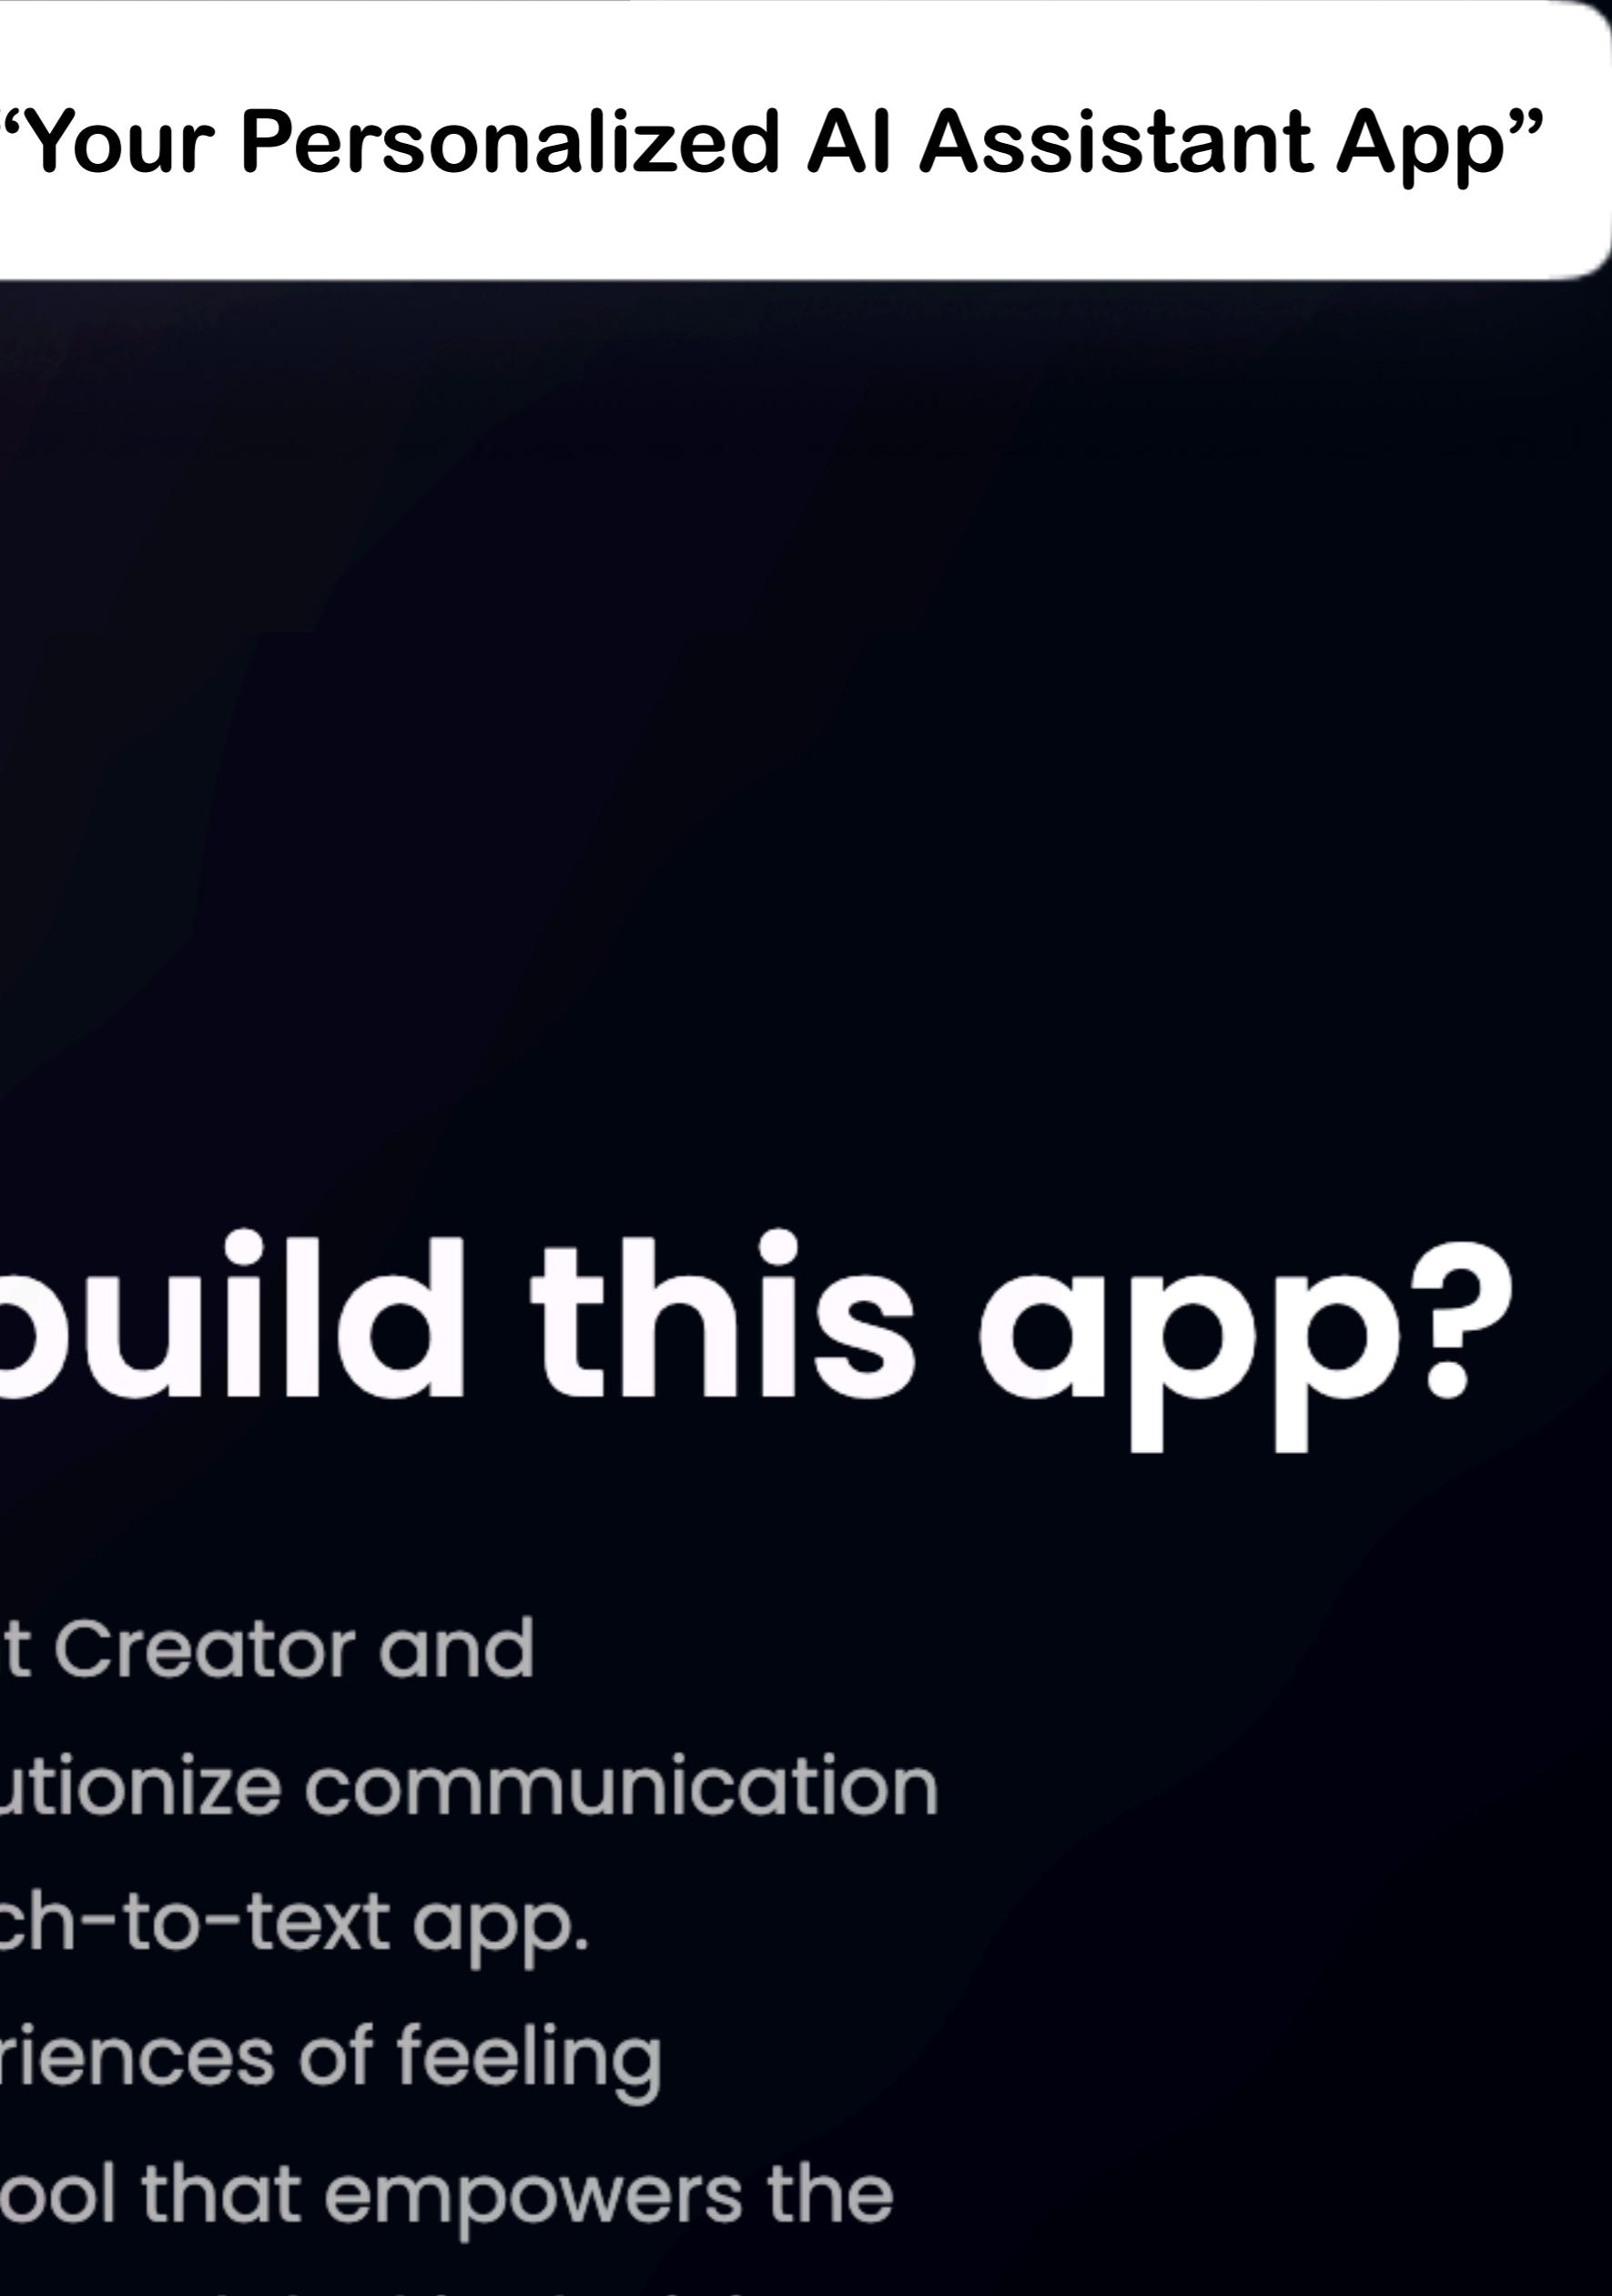

In face-to-face interactions, real-time captions powered by speech-to-text technology effortlessly transform spoken words into written text, creating a dynamic and inclusive communication experience across various settings.

Text-To-Speech

Elevate your words from silent to sensational with the magic of text-to-speech, turning every message into an engaging and vibrant auditory experience!

Save Notes

Capture and relive your moments with our innovative video recording feature, seamlessly saving your notes to the gallery while displaying subtitles on the screen, ensuring a personalized and unforgettable visual experience.

There are other speech-to-text apps.

What's different about us?

Experience the thrill of seamless, face-to-face communication with our app! Say goodbye to the constant phone-face shuffle – our real-time captions keep the conversation flowing effortlessly, allowing you to stay fully engaged with the person in front of you. Embrace the excitement of distraction-free, dynamic interactions!

Why did I build this app?

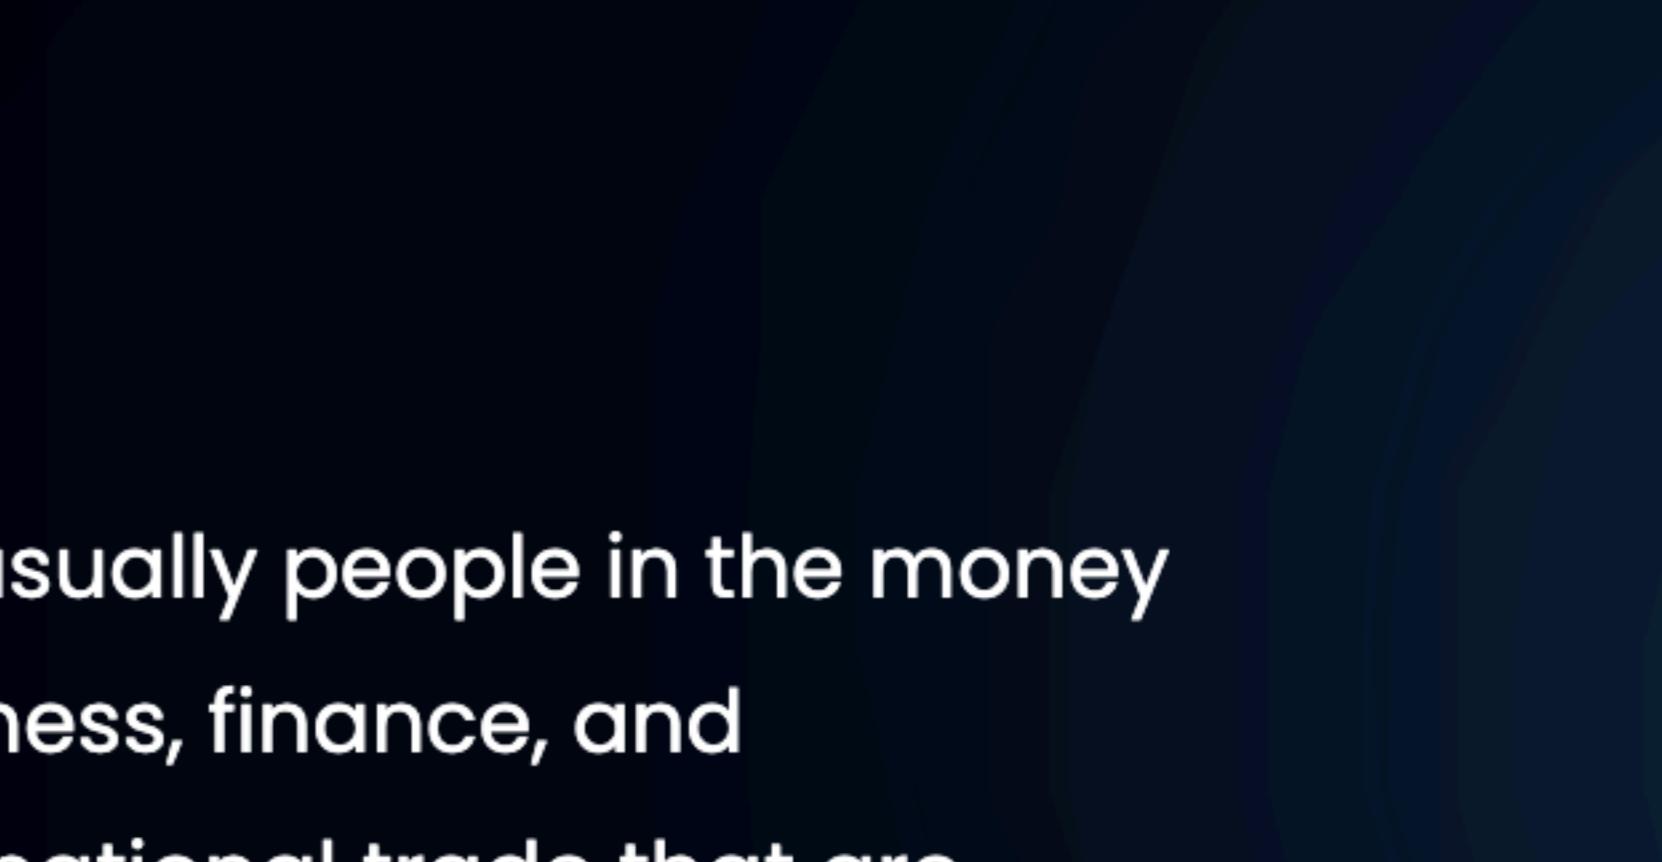

Faizy Legend, a deaf Content Creator and Entrepreneur, seeks to revolutionize communication through an innovative speech-to-text app. Motivated by personal experiences of feeling excluded, Faizy envisions a tool that empowers the deaf community and promotes global inclusivity. His commitment reflects a belief in technology's power to break down barriers and create a more connected world.

What deaf influencers saying about us?

Money is only a tool. It will take you wherever you wish, but it will not replace you as the driver.

Herman Jensen
Founder & Leader

Money makes your life easier. If you're lucky to have it, you're lucky.

Steve Mark
Founder & Leader

It is usually people in the money business, finance, and international trade that are really rich.

Kenn Gallagher
